EL DIABLO GRANDE stalked the pace while in the three path made a move turning for home and edged closer to the leaders went by the frontrunners inside the eighth pole and was clearly best while under a hand ride. GONE PARADISE was away in good order to take the lead and the rail was pressed from the outset and gave way in the final furlong. LONE SHOTGUN RIDER showed good early speed while in the two path but was the first to give way in the stretch. BRAVE HELIOS was along the rail on the turn angled out for the drive nut made little headway through the stretch run. NOT NECESSARILY raced three wide the entire race and never mounted a rally. MERRY MIX UP was in the back almost from the outset while racing along the rail and never mounted a rally.
