SPOTTY SHOWERS raced along the inside through the turn, moved up through late turn, tipped into the two or three path, took aim on the leader once straightened then surged past and fittingly won during a rain shower. WILLADEAN raced on a clear pace while near the inside, widened into the lane, looked to be a winner near the eighth pole but was no match for the surging winner through the final eighth while staying on to be clear for the place spot. LITTLE GRAY FLOWER in mid-pack while off the rail into the turn, moved through the three path through mid-turn, swung into the lane from the seven path and was up for the show spot. BIRDISOFAFEATHER bid four wide through the turn, came into the lane from the six path and was never a threat through the final eighth. ZIPSY ROSE LEE was well back while in the two path through the far turn, angled into the eight path for the drive then moved up while not a menace. MISS DIAMOND RICH was three wide through the first turn, continued off the inside through the turn, came into the lane from the five path and moved up. PRETTY HEART was in the two path into the far turn when never far back, asked into the lane and was empty. MALI BALI chased the pace along the inside through the turn and into the lane then retreated. ARRINGTON was never a factor while racing far back. EMERSON'S DREAM chased the pace from the three path into the far turn, bid three wide through the turn then folded up entering the lane. TEN LIL VICTORIES chased the pace from the

three path into the turn, was two wide through the turn and retreated through the lane.

TIME TO RACE trailed for half while near the inside, angled four wide in late turn when gaining momentum, came into the lane four wide then continued with energy to quickly catch the leader and clear. MS. LILIBET chased the pace from the two path through the turn, bid into the lane from the two or three path, gained a short lead straightening in the lane, still lead with an eighth to go then was no match for the top one but stayed on to be clear for the place spot. PAINT ME PERFECT raced along the inside through the turn, waited in late turn, came off the inside and into the two or three path when moving past tired one, angled in toward the inside near the eighth pole and finished with energy. ROBIN SAGE saved ground through the turn, guided to the four path in upper stretch, was in good position with an eighth to go then flattened late. FLURR never a factor while near the inside. THESTRAL bid three wide through the turn, swung into the lane from the five path then drifted out after brushing with rival and was empty.
