Footnotes

SWEET CRYSTAL was sent to the lead out of the gate, cleared the field, dropped over to the rail, raced on the rail and saved ground through out, set the fractions, was threatened late, repelled that rival keeping the lead and the win. THINK BLUE stalked the leader from the three path, was forwardly placed the whole race, was closing in on the leader, got close enough to be a threat but cOuld not get past SWEET CRYSTAL today finishing second best. RUNNERS HEAT vied for the lead, settled and stalked the pace, raced in the two path saving ground, was asked at the quarter pole and responded ok, gaining a little ground on the leader but had nothing else finishing even. MYSTIC STORM raced mid pack on the rail, improved position after the half mile marker, gained ground, passed other rivals while racing on the rail in the stretch but made no more headway. GO STORMIN GIRL raced mid pack, stayed three wide, advanced and improved position after the half, but still made no impact. DRUMBEG off pace, raced on the rail but was no threat. SHEZA HOOT showed little. PALACE MAGIC was off of the pace, raced three wide, started to climb, shifted out into the four path, moved at the half, circled the field through the turn, shifted ten wide in the stretch, was asked but was through three eighths of a mile too soon. THE PLACE PICK EIGHT NUMBER ARE 3/4-2/5-1/2-5/7-3/5-5/6-1/3/8-4/6/9/10

Footnotes

SHTARKER was off a bit slow and settled in on the rail well off of the pace, was un hurried until the half mile pole, started to gain ground and building momentum, continued to improve position racing on the inside, was in a stalking position nearing the second turn, briefly hesitated for a stride to find racing room, shifted over a path, split horses, but waited until after the bend to tip all the way out into the seven path taking the widest trip down the lane but finally having a clear shot to make a run for the wire, under encouragement SHTARKER was able to use the momentum he had to close, passing the almost the entire field getting up for the win. SHARP STRIKE stalked the front runners from the three path, advanced after the three eighths pole, moved into contention, split horses at the quarter pole, challenged for the lead in the upper stretch, shook on rival then hooked another closing rival, battled in deefp stretch but just missed running second. WOLF HUNTER was off mid pack, raced unhurried in the three path until the three eights pole, launched a bid and shifted put at the three eighths pole, improved position, was still behind horses and looking for room in mid stretch, edged out again, closed well but had to over come to many things and finished third. SKYLANE raced from off of the pace improved position after the half, circled the field through the turn, made a late bid. I O FEDRO was off mid pack, raced three wide, improved after the half, had to take up for a stride and waited for room, shifted out a path and split rivals entering the upper stretch, saved ground, was in perfect striking position but had no late kick. RICKY'S BEST raced from off of the pace, traveled in the four path and improved position down the back side but had no rally. LONE RETURN raced in the three path, keen in the first turn, settled then was no threat. JAKES CHANNEL vied for the lead, set a pressured pace, battled then tired. DOUBLE DRIBBLE vied for the lead, raced on the rail, was pressured

by another rival to the outside, stopped.
