OUT WORK'N chased the pace from the two path into the far turn, took over near the three-eighths pole, cleared soon after, widened into the lane, was all out late with challengers stacking up three wide and just lasted in a game effort. ROUNDER was unhurried while near the inside, was asked for more in mid-turn, came into the lane from the three path and steadily gained through the lane and just missed between rivals. SHIPSHAPE was unhurried while off the inside through the turns, asked for more from the three path in late turn, came into the lane from the three or four path, gained on the winner from mid-track, looked a winner with a sixteenth to go and just could not get up. SKYLINE set the pace from the two path on a clear lead, relinquished the advantage into the far turn without resistance, kept on from the three path into the lane and was clear of the next one. KILLER BEE raced in the four to the three path through the turn when in mid-pack, came into the lane from the six path and offered a mild gain while not a factor. ASHWINS ORB never a factor while along the inside. SHOTGUN JOE chased the pace from the two path into the turn and was done soon after mid-turn. WEAPON was in the three path through the far turn and tired.
